5.1.1 References to the **Proprietor** are references to LET Education Trust the **Academy Trust**.

5.1.2 References to **Parent** or **Parents** means the natural or adoptive Parents of the pupil (irrespective of whether they are or have ever been married, with whom the pupil lives, or whether they have contact with the pupil) as well as any person who is not the natural or adoptive Parent of the pupil, but who has care of, or Parental responsibility for, the pupil (e.g., foster carer / legal guardian).

5.1.3 References to **school days** mean Monday to Friday, when the school is open to pupils during term time. The dates of terms are published on the school's website.

6 Responsibility Statement and Allocation of Tasks

6.1 The Proprietor has overall responsibility for all matters which are the subject of this policy.

6.2 The Proprietor is aware of its duties under the Equality Act 2010 and the requirement under S.149 of the Equality Act 2010 to meet the Public Sector Equality Duty. This means in carrying out its functions, the Proprietor is required to have due regard to the need to:

6.2.1 eliminate discrimination and other conduct that is prohibited by the Act;

6.2.2 advance equality of opportunity between people who share a protected characteristic and people who do not share it; and

6.2.3 foster good relations across all characteristics - between people who share a protected characteristic and people who do not share it.

6.3 Any punishment imposed on a pupil will be legal and proportionate. The punishment will be reasonable in all the circumstances and account will be taken of the pupil's age, any special educational needs or disability they may have, and any religious requirements affecting them.

6.4 In discharging of its responsibilities under this policy, the Proprietor expects school leaders and staff to undertake the following roles:

6.5 School leaders will:

6.5.1 be highly visible, routinely engage with pupils, parents and staff on setting and maintaining the behaviour culture and an environment where everyone feels safe and supported;

- 6.5.2 play a crucial role in making sure all staff understand behavioural expectations and the importance of maintaining them;
- 6.5.3 make sure all new staff are inducted clearly into the school's behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school;
- 6.5.4 consider any appropriate training which is required for staff to meet their duties and functions within the Behaviour Policy;
- 6.5.5 ensure staff have adequate training on matters such as: how certain special educational needs, disabilities or mental health needs may at time affect a pupil's behaviour;
- 6.5.6 encourage engagement with experts e.g., educational psychologists, counsellors and mental health support teams to inform effective implementation and design of behaviour policies and this links to the whole school approach to mental health and wellbeing.

6.6 School staff will:

- 6.6.1 play an important role in developing calm and safe environment for pupils and establish clear boundaries of acceptable pupil behaviour;
- 6.6.2 uphold the whole school approach to behaviour by teaching and modelling expected behaviour and positive relationships; as defined in this policy, so pupils can see examples of good habits and confident to ask for help when needed;
- 6.6.3 challenge pupils to meet the school expectations and maintain boundaries of acceptable conducts;
- 6.6.4 communicate school expectations, routines, values and standards (set out in Appendix 1) both explicitly through teaching behaviour and in every interaction with pupils;
- 6.6.5 consider the impact of their own behaviour on school culture and how they can uphold the school rules and expectations in addition to those set out in Appendix 1.

7 Promoting High Expectations of Good Behaviour

7.1 Pupils are expected to adhere to the school's dress code. This includes, but is not limited to, the following expectations : -

- No makeup
- No jewellery
- No flare-legged trousers

Breaches of the dress code will be addressed through the Behaviour Policy, and pupils may be asked to correct their attire before continuing with the school day.

7.2 Pupils are educated about good behaviour through the operation of the school's curriculum, PSHE, relationships and sex education programme[s] and the school's pastoral support systems. Pupils are encouraged to act responsibly and, through the operation of this policy, to accept responsibility for their behaviour. This includes teaching pupils explicitly what good behaviour looks like (for example, through the

teaching of good habits and routines). Illustrative of the ways in which the school teaches the behaviour curriculum are set out in Appendix 1. This will also include induction to school systems and routines on joining the school and re-induction after removal from the classroom, time spent at off-site provision or in Pupil Support Units and following suspension.

- 7.3 The school understands that rewards can be more effective than punishment in motivating pupils. The ways in which the school may reward good behaviour are set out in Appendix 3.
- 7.4 The school recognises that where challenging behaviour is related to a pupil's disability, use of positive discipline and reward methods may enable the school to manage the pupil's behaviour more effectively and improve their educational outcomes.
- 7.5 Where appropriate, staff should also take account of any contributing factors that are identified after a behaviour incident has occurred e.g., if the pupil has suffered a bereavement, experienced abuse or neglect, has mental health needs, has been subject to bullying, has needs including SEND (including any not previously identified), has been subject to criminal exploitation, or is experiencing significant challenges at home.

8 Responding to unacceptable behaviour

- 8.1 The school values positive behaviour and academic effort and rewards pupils through the following systems:
 - **Personal Best Points:** Awarded for exceptional effort, improvement, or demonstration of school values. Each Personal Best Point is worth one credit and contributes toward end-of-term reward activities.
 - **Golden Tickets:** Awarded for outstanding achievements, leadership, or consistent positive contributions to the school community. Each Golden Ticket is worth five points and enters the pupil into a termly prize draw for a significant prize.

These reward systems aim to foster a culture of positivity and motivation, encouraging pupils to strive for their best in all aspects of school life.

- 8.2 When a member of school staff becomes aware of misbehaviour, they should respond in a consistent, fair, proportionate and timely manner in accordance with the school's Behaviour for Learning procedure.
- 8.3 The first priority will be to ensure the safety of pupils and de-escalation techniques can be used to prevent further behaviour issues arising.
- 8.4 The school recognises that taking disciplinary action and providing appropriate support are not mutually exclusive actions. They can and should be used at the same time if necessary.

9 Minor Breaches of Discipline / this Policy

- 9.1 The school adopts a culture of openness and transparency and, where there are any concerns regarding breaches of discipline, contact should be made with the school at the earliest opportunity. All concerns are taken seriously including scenarios where suspicions or breaches of discipline appear minor.

- 9.2 The school has pastoral support systems in place to assist pupils in managing their behaviour. A range of sanctions are available for those who breach the school's policies on behaviour.
- 9.3 The decision to issue a sanction and the sanction itself must be made on the school's premises or whilst the pupil is under the charge of the relevant member of staff.
- 9.4 Allegations, complaints or rumours of minor breaches of discipline are dealt with by staff as they occur. Staff may carry out informal investigations and / or interviews with the pupils involved. Low level sanctions may be given following such processes (see Appendix 3 for details of possible sanctions).
- 9.5 A minor breach of discipline may be referred to a senior member of staff and external agencies (where appropriate) prior to, during or following an informal investigation.
- 9.6 When considering the appropriate sanction, the risks posed to pupil welfare by an individual's behaviour will be assessed. This may include consideration of how any action taken, sanctions applied or inaction may affect that individual's welfare and, where appropriate, how it may affect other pupils' welfare and / or the school's community as a whole.

10 Serious and / or Persistent Breaches of Discipline / this Policy

- 10.1 Allegations, complaints or rumours of serious and / or persistent breaches of discipline should be referred to the Headteacher.
- 10.2 The decision to issue a sanction and the sanction itself must be made on the school's premises or whilst the pupil is under the charge of the relevant member of staff.
- 10.3 The main categories of misconduct which are likely to be considered to be serious breaches of discipline include, but are not limited to:
 - 10.3.1 supply - which means providing or sharing (whether or not for money or other consideration) or facilitation of supply, e.g., sale, exchange or sharing (which includes promotion / advertisement or facilitating supply) / possession / use of drugs and solvents or their paraphernalia or substances intended to resemble them, or alcohol or tobacco as prohibited by the school policy on smoking, drugs and substances;
 - 10.3.2 actual or attempted theft, blackmail, intimidation, cyber-based bullying or prejudice-based bullying, discriminatory based bullying or other potentially criminal offences including being an accessory or conspirator;
 - 10.3.3 physical violence and / or abuse (which may include but is not limited to hitting, kicking, shaking, biting and hair pulling);
 - 10.3.4 physical or emotional abuse or harassment (to include behaviour that may be categorised as "banter", "just having a laugh", "part of growing up" or "boys being boys");
 - 10.3.5 initiation / hazing type violence and rituals (which may include, but is not limited to, activities involving harassment, abuse or humiliation used as a way of initiating a person into a group);
 - 10.3.6 abuse in intimate personal relationships between peers (e.g., teenage relationship abuse);

- 10.3.7 sexual violence, sexual harassment, upskirting and other harmful / inappropriate sexual behaviour;
- 10.3.8 consensual and non-consensual sharing of nudes and semi-nude images and / or videos;
- 10.3.9 behaviour in contravention of the school's policies on the acceptable use of technologies or online safety;
- 10.3.10 supply or possession of pornography;
- 10.3.11 behaviour which may constitute a criminal offence, such as:
 - (a) possession or use of firearms, knives or other weapons;
 - (b) vandalism, defacement and / or destruction of school property
- 10.3.12 use of racist language/racist abuse: The school has a zero-tolerance approach to the use of racist language. Any incident involving racist language will be treated as a serious breach of discipline and addressed promptly.
- 10.3.13 Abuse against sexual orientation or gender reassignment
- 10.3.14 Abuse related to disability
- 10.3.15 persistent breaches of discipline or attitudes or behaviour which are inconsistent with the school's ethos;
- 10.3.16 other misconduct which affects the welfare of a member or members of the school's community or which brings the school into disrepute (single or repeated episodes) on or off the school's premises;
- 10.3.17 other misconduct specifically provided for in the school's various policies on behaviour.
- 10.4 The school aims to operate within the principles of fairness and natural justice. A decision to exclude a pupil permanently will only be taken:
 - 10.4.1 in response to a serious breach and / or persistent breaches of the school's Behaviour for Learning Procedure; and
 - 10.4.2 where allowing the pupil to remain in school would seriously harm the education and / or welfare of the pupil and / or others such as staff or pupils in the school.
- 10.5 An allegation, complaint or rumour of a serious breach of discipline will be investigated in accordance with the procedures set out in Appendix 4.
- 10.6 Complainants will be taken seriously and the school will carefully discharge its duty of care to both complainants and those pupil(s) accused. Reporting concerns is encouraged by the school. A complainant is not creating a problem by reporting an allegation, complaint or rumour and should not feel ashamed or embarrassed for making a report.
- 10.7 If the findings of the investigation, on the balance of probabilities, support the allegation, complaint or rumour of a serious breach of discipline, a disciplinary meeting may be held in accordance with the procedures set out in Appendix 4.

- 10.8 Appendix 3 sets out a non-exhaustive list of possible sanctions which may be imposed for serious and / or persistent breaches of discipline / this policy.

11 Suspected Criminal Behaviour

- 11.1 Before investigating a behaviour incident, the school will consider whether a criminal offence may have been committed and should be reported to the Police.
- 11.2 The school will carry out the minimum investigation required to be able to establish this, and before making a decision, will consider its duty to safeguard the pupils of the school (including any victims or alleged perpetrators) by assessing and balancing the risk of reporting the matter to the Police on the mental health and wellbeing of the pupil and others, as well as the risk of not making a report to the Police.
- 11.3 Where a report is made to the Police, the school will not act in a way which could prejudice a criminal investigation, or tip off anyone who may be involved. The school will keep in mind that any records created (including witness statements) may be requested by the Police, Crown Prosecution or Defence Solicitors for use within criminal proceedings, with disclosure to other parties.
- 11.4 Depending on the individual circumstances of the case, and usually having liaised with the Police, the school may decide to continue its investigation and impose sanctions.
- 11.5 The school will follow its safeguarding and child protection policy and procedures at all times, and when making a report to the Police it may also be appropriate to make a report to Children's Social Care Services, usually led by the DSL.

12 Removal from the Classroom

- 12.1 This section must be read alongside Appendix 2 below.
- 12.2 The school will only remove a pupil from the classroom for serious disciplinary reasons, as a formal sanction under this policy. Removal from the classroom is different to the use of separate spaces (for example, sensory/nurture rooms used for non-disciplinary reasons to meet a pupil's needs).
- 12.3 Removal from the classroom will only happen for the following reasons:
- 12.3.1 to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;
 - 12.3.2 to enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and
 - 12.3.3 to allow the pupil to regain calm / regulate in a safe space.
- 12.4 The school will consider whether removal from the classroom is proportionate, and will take into account the circumstances of each individual case, with parents being notified on the day.
- 12.5 The school will provide any pupil who is removed from the classroom continuous meaningful education during any period of removal.
- 12.6 The Headteacher will maintain overall strategic oversight of the use of removal from the classroom.

13 Intervention, Support and Reintegration

- 13.1 The school will, as far as practicable, adopt a range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of suspension and permanent exclusion. The school has a system in place to ensure leaders are aware of pupils whose behaviour is a cause for concern.
- 13.2 The range of intervention strategies that the school will put in place include the following as appropriate, but are not limited to:
 - 13.2.1 frequent and open engagement with parents, including home visits if deemed necessary;
 - 13.2.2 providing mentoring and coaching;
 - 13.2.3 short-term behaviour report cards or longer-term behaviour plans;
 - 13.2.4 Pupil Support Unit; and
 - 13.2.5 engaging with local partners and agencies to address specific challenges such as poor anger management, a lack of resilience and difficulties with peer relationships and social skills.
- 13.3 Where the school has serious concerns about a pupil's behaviour it will consider appropriate interventions, including but not limited to, whether an assessment of a pupil's SEND is appropriate; where a pupil has an Education, Care and Health Plan, whether an emergency review is appropriate and/or whether a multi-agency assessment is appropriate.
- 13.4 The school has a pupil support area where planned interventions for individual pupils takes place in place of mainstream lessons. This includes The Hub, The Base and Reflection. The Pupil Support areas are used for planned interventions for behavioural and pastoral reasons.
- 13.5 Following a sanction, the school will consider appropriate strategies to help the pupil(s) involved understand how to improve their behaviour and meet the behaviour expectations of the school. As far as reasonably practicable, this support will be delivered by appropriately trained designated staff.
- 13.6 The school will consider and apply appropriate strategies for the reintegration of a pupil following removal from the classroom, time at a Pupil Support Unit, time at an alternative site under an off-site direction or suspension.

14 The Role of Parents

- 14.1 The school seeks to work in partnership with Parents over matters of discipline and helping schools develop and maintain good behaviour, and it is part of the Parents' obligations to the school to support the school's policies on behaviour.
- 14.2 The school recognises that communication of the school policy to all members of the school community, including parents, is an important way of building and maintaining the school's culture.
- 14.3 Where a parent has a concern about the management of behaviour, they should raise this directly with the school whilst continuing to work in partnership with them.
- 14.4 Parents will normally be informed as soon as reasonably practicable of any suspicion that

their child has been involved in serious misconduct, but may be prevented from doing so immediately e.g., by the Police if they are involved.

- 14.5 Parents will be notified of any pending disciplinary action in accordance with paragraph 9.4.
- 14.6 Parents will also be notified of disciplinary sanctions:
 - 14.6.1 imposed for significant minor breaches of discipline (persistent minor breaches such as negative house points / detention); and
 - 14.6.2 those imposed for serious breaches of discipline and any rights of review as required and / or within school reports.
- 14.7 Parents will be consulted about their child's conduct and the application of this policy to their child where the school considers, in its professional judgement, that these give rise to a significant concern about pupil welfare.
- 14.8 Whenever the Headteacher suspends a pupil, they must, without delay, notify parents of the period of the suspension and the reason(s) for it, in accordance with section 51A Education Act 2002 and the statutory Suspension and Permanent Exclusion Guidance.

15 The Role of Pupils

- 15.1 Every pupil will be made aware of the school behaviour standards, expectations, pastoral support and the school's approach to a failure to meet required standards consequence processes. Pupils will be taught that they have a duty to follow the school Behaviour Policy and uphold the school rules and should contribute to the school culture.
- 15.2 Pupils should be asked about their experience of behaviour and asked to provide feedback on the school's behaviour culture. Every pupil will be supported to achieve the behaviour standards, including an induction process that familiarise them with the school behaviour culture.

16 Additional Needs

- 16.1 Where the school has concerns about the behaviour, or risk of suspension/exclusion, of a child with additional needs, a pupil with an EHCP or a Looked After Child, it should, in partnership with others (including the local authority where required), consider what additional support or alternative provision may be required. This should involve assessing the suitability of provision for a pupil's SEN or disability. Where a pupil has an EHCP, the school should consider requesting an early annual review or interim / emergency review.
- 16.2 The school will, as far as possible, to anticipate likely triggers of misbehaviour and put in place support to prevent these. Any preventative measure should take into account the specific circumstances and requirements of the pupil concerned.
- 16.3 The Headteacher and proprietor must comply with their statutory duties in relation to SEN and disability and the Equality Act when administering the exclusion process. This includes having regard to the SEND Code of Practice.
- 16.4 Whilst a suspension/exclusion may still be an appropriate sanction, the Headteacher should take account of any contributing factors that are identified after an incident of poor behaviour has occurred. For example, where it comes to light that the pupil has

suffered bereavement, has mental health issues or has been subject to bullying.

- 16.5 The school will make reasonable adjustments for managing behaviour which is related to a pupil's disability. Staff should seek advice from the Headteacher if they are unsure about how to manage a pupil's behaviour where this is related to a disability.
- 16.6 If there is a concern that a pupil's behaviour is as a result of unmet educational or other needs, advice should be sought from the Headteacher / SENCO and further action in accordance with the school's SEND policy will be considered.
- 16.7 Where a suspension or permanent exclusion is being considered, the school will ensure that a pupil with a disability or special educational needs is able to present their case fully where their disability or special educational needs might hinder this.

17 Safeguarding and Child-on-Child Abuse

- 17.1 Some behaviour by a pupil towards another may be of such a nature that safeguarding concerns are raised. The school will adopt a zero-tolerance approach to abuse in order to prevent harm to pupils. Safeguarding issues can manifest themselves via child-on-child abuse. This includes, but is not limited to:
 - 17.1.1 bullying (including cyber-bullying prejudiced-based and discriminatory-based bullying);
 - 17.1.2 physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (which may include an online element which facilitates, threatens and / or encourages physical abuse);
 - 17.1.3 sexual violence and / or sexual harassment;
 - 17.1.4 causing somebody to engage in sexual activity without consent
 - 17.1.5 upskirting and / or attempts to commit upskirting;
 - 17.1.6 consensual and non-consensual sharing nudes and semi-nudes and or videos (also known as sexting or youth produced sexual imagery); and
 - 17.1.7 initiation / hazing type violence and rituals (which may include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).
- 17.2 Child-on-child abuse can occur both inside and outside of the school and may be taking place whilst not being reported. A one size fits all approach is not appropriate for all pupils, and a contextualised approach for more vulnerable pupils, victims of abuse and pupils with special educational needs and disabilities may be required. Certain behaviours, for example dismissing sexual harassment as "just banter", "just having a laugh", "part of growing up" or "boys being boys" can lead to a culture of unacceptable behaviours and create an unsafe environment for pupils. In worst case scenarios, dismissing sexual harassment can lead to a culture that normalises abuse and pupils accepting it as normal and not coming forward to report it.
- 17.3 Technology is a significant component in many safeguarding and wellbeing issues. Pupils are at risk of abuse online as well as face to face. This can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.

- 17.4 In line with the school's aims and culture of openness and encouragement to report, the school's policy and procedures with regard to child-on-child abuse are set out in the school's Safeguarding and Child Protection Policy and procedures. If behaviour matters give rise to a safeguarding concern, either in relation to the alleged victim(s) or perpetrator(s) or, more widely, in relation to ensuring the safety and welfare of pupils and / or staff, the DSL (or a deputy) should take a leading role in decision making and the procedures in the Safeguarding and Child Protection Policy and procedures will take priority).

18 Malicious Allegations

- 18.1 Where a pupil makes an allegation which is determined to be unsubstantiated, unfounded, false or malicious, the DSL will consider whether the pupil is in need of help or may have been abused by someone else and this is a cry for help. A referral to external agencies may be appropriate in these circumstances. The Headteacher will also consider whether to take disciplinary action against the pupil in accordance with this policy.
- 18.2 Where such an allegation is made, appropriate support will be provided to the member(s) of staff affected.
- 18.3 The school will consider a malicious allegation to be one where there is sufficient evidence on the balance of probabilities to disprove the allegation and that, by the same test there is sufficient evidence that there has been a deliberate act to deceive.

19 Use of Reasonable Force

- 19.1 Corporal punishment is not used at the school and force must never be used as a form of punishment.
- 19.2 Any use of force by staff will be reasonable, proportionate and lawful. Reasonable force will be used as set out in 5 and the school's Use of Reasonable Force and Physical Restraint Guidance.

20 Searching Pupils

- 20.1 School staff may search a pupil and their possessions for any item if the pupil agrees. The member of staff must ensure the pupil understands the reasons for the search and how it will be conducted, so that their agreement is informed. Appropriate consideration will be given to the age and needs of pupils being searched and the factors that may influence the pupil's ability to agree.
- 20.2 The school will follow its Safeguarding and Child Protection Policy and procedures at all times if a safeguarding concern arising as a result of any actions connected with a search of a pupil.
- 20.3 If a pupil is not willing to co-operate with the search, the school will consider why this is. If a search is necessary but not required urgently, the staff member will seek advice from the DSL, Headteacher or appropriate member of pastoral staff.
- 20.4 If a pupil refuses to co-operate with a search, the Headteacher, and staff authorised by the Headteacher, may use reasonable force to search a pupils' possessions. Where they have reasonable grounds for suspecting that a pupil has an item prohibited by law in their possession (see 05 for further details in this respect). Reasonable force cannot be used to search for items that are banned by the school.

- 20.5 If a pupil continues to refuse to co-operate, they may be sanctioned in line with the school's Behaviour for Learning Procedure where this appropriate, in a consistent, fair and proportionate way.

21 Staff Training

- 21.1 The school ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. This includes:
- 21.1.1 how staff can support pupils in meeting high standards of behaviour
 - 21.1.2 how staff can to ensure that this policy and sanctions are applied in a way that is consistent, fair, proportionate and predictable way
 - 21.1.3 where applicable to reflect the need of particular pupils.
- 21.2 The level and frequency of training depends on the role of the individual member of staff.
- 21.3 The school maintains written records of all staff training.

22 Risk Assessment

- 22.1 Where a concern about a pupil's welfare is identified, the risks to that pupil's welfare will be assessed and appropriate action will be taken to reduce the risks identified.
- 22.2 The format of risk assessment may vary and may be included as part of the school's overall response to a welfare issue, including the use of individual pupil welfare plans (including Education, Health and Care Plans, behaviour plans, as appropriate). Regardless of the form used, the school's approach to promoting pupil welfare will be systematic and pupil focused.
- 22.3 The Headteacher has overall responsibility for ensuring that matters which affect pupil welfare are adequately risk assessed and for ensuring that the relevant findings are implemented, monitored and evaluated as required.
- 22.4 Day to day responsibility to carry out risk assessments under this policy will be delegated to senior staff who have / has been properly trained in, and tasked with, carrying out the particular assessment

23 Record Keeping

- 23.1 All records created in accordance with this policy are managed in accordance with school policies that apply to the retention and destruction of records.
- 23.2 the school will establish and maintain a strong and effective system for data recording including all parts of behaviour culture that is collected from a range of sources and that is regularly objectively analysed and monitored by appropriate skilled staff.
- 23.3 The school will keep a separate record for:
- 23.3.1 allegations and concerns reported in respect of:

- (a) sexual harassment or sexual violence;
 - (b) bullying, discriminatory and prejudiced behaviour, either directly or indirectly, including racist, sexist, disability and homophobic / bi-phobic / transphobic bullying, use of derogatory language and racist incidents.
- 23.4 The school will keep a record of any search by a member of staff for a 'prohibited item' and all searches conducted by Police Officers. This will be recorded in the school's safeguarding reporting system.
- 23.5 The school will keep a separate record of sanctions imposed for serious misbehaviour. The record will include:
 - 23.5.1 the name and year group of the pupil concerned;
 - 23.5.2 the nature and date of the offence;
 - 23.5.3 the sanction imposed and reason for it; and
 - 23.5.4 the name of the person imposing the sanction
- 23.6 This record will be reviewed regularly by the Headteacher so that patterns in behaviour can be identified and managed appropriately. This will also help if / when responding to any complaints about the way a case has been handled by the school.
- 23.7 This record will be reviewed by Trust's Standards Committee in order to evaluate all data recorded in order to meet its obligations under this policy and, in particular, establish any trends (for example, in respect of particular socio-economical groups, or groups with a protected characteristic).
- 23.8 The records created in accordance with this policy may contain personal data. The school's use of this personal data will be in accordance with data protection law. The school has published on its website privacy notices which explain how the school will use personal data.

Appendix 1 School Behaviour Expectations and Routines

Taken from Rhyddings' Behaviour for Learning Policy

1. Learning Behaviour

1.1 Blue Line

This is a visible line outside the main school gates, pupil and visitor receptions.

All pupils are expected to adhere to the basic Rhyddings expectations:

- arrive to school on time - before 8:45am
- Lining up in alphabetical order by form in designated meeting areas
- have a positive mindset for the school day
- present in full and correct school uniform with a school bag, (full PE kit on PE days)
- ensure no jewellery is worn
- ensure no piercing is worn
- ensure no un-natural coloured hair
- ensure no lines in the hair (patterns etc)
- ensure all electronic devices are switched off at the school gate
- Walk on the left, moving in a calm, orderly manner
- Line up outside classrooms for the start of each lesson
- complete the Ready Task at the start of each lesson
- End and Send points

Full correct school equipment will be checked by form tutors each morning.

Pupils are expected to have their standards card, a pen, pencil, ruler and a rubber as a minimum.

Uniform Shop - Any pupils who do not adhere to basic uniform expectations including a school bag will be escorted to the uniform shop and expected to leave a deposit for a piece of uniform/bag. School pumps must be worn if pupils have no school shoes. We offer financial support for families, please contact school for further details.

Common Phrases to be used by all staff

At Rhyddings, we do everything the first time we are asked, every time we are asked.

We never interrupt each other

I never ignore you, so you never ignore me

We say good morning, Sir/Miss and greet each other with a handshake or offer a nod of acknowledgement

It is our style, we are warm, welcoming and friendly (WWF)

How do we know we are warm welcoming and friendly - facial expression, tone of voice, body language and choice of words

We wish each other a good day

We are the most polite school in Lancashire

We are not ordinary but extraordinary - we use a Rhydding's Ripple when we want to celebrate success

Your teachers' words are like gold dust, they could work anywhere but chose to work here because they recognise your potential

At our school we use the Rhydding's Ready, Shape, Steps: -

- **Rhyddings Ready:** Poise, Steps, Manners
- **Shape:** Sit up straight, Listen carefully, Ask and answer lots of questions, Never interrupt, Track the teacher
- **Sir or Miss:** Thank you, Excuse me, Please
- **Style:** Speak in full sentences, Hands away from your mouth, Articulate what you want to say, Project your voice, Make eye contact

2. Standards Card

This is a basic daily expectation. All pupils must have a standards card with them each day at school. The standards card is to ensure all pupils adhere to the basic school expectations of uniform, appearance and school equipment.

As pupils demonstrate the 'Rhyddings Way' throughout the school day, staff will record this on the card. Pupils have an opportunity to receive positive points on the card. As each line of the Above Standards section is completed points will be awarded. A full completed positive section on the card will lead to a prize in assembly with a certificate.

If basic expectations for uniform, appearance and school equipment are not adhered to sanctions will be given by staff. As a full line on the below standard section is completed, pupils will receive a C3. All sanctions and detentions will be monitored by form tutors and the pastoral lead. Further support will be provided for pupils to support their behaviour choices if necessary.

Appendix 2 Removal from the Classroom

- 1.** Removal of a pupil from the classroom is a formal sanction imposed for serious disciplinary reasons, which allows for the continuation of the pupil's education in a supervised setting. The education provided may differ from that provided in the mainstream classroom but will still be meaningful for the pupil.
- 2.** Removal from the classroom will only be used for the following reasons:
 - 2.1 to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;
 - 2.2 to enable disruptive pupils to be taken to a place where education can be continued in a managed environment; and
 - 2.3 to allow the pupil to regain calm / regulate in a safe space.
- 3.** When dealing with the removal of a pupil from the classroom each case will be dealt with on its own individual facts and circumstances. Removal could be to a "buddy classroom" an area for calm reflection or to isolation. The Headteacher and teachers will:
 - 3.1 consider whether any assessment of underlying factors of disruptive behaviour is needed;
 - 3.2 inform parents of the removal from the classroom on the same day;
 - 3.3 facilitate reflection by the pupil on the behaviour that led to their removal from the classroom and what they can do to improve and avoid such behaviour in the future;
 - 7.4 ensure that pupils are never locked in the room of their removal except in limited exceptional situations.
 - 7.5 if a pupil has a social worker, including if they have a Child in Need plan, a Child Protection plan or are looked-after, notify their social worker. If the pupil is looked-after, ensure their Personal Education Plan is appropriately reviewed and amended and notify their Virtual School Head.
- 4.** It will be the responsibility of the Headteacher to maintain overall strategic oversight of the school's arrangements for any removals.
- 5.** The school will collect, monitor and analyse the data on the removal of pupils from the classroom in order to interrogate its use and effectiveness.

Appendix 3 Rewards and Sanctions

Taken from Rhyddings' Behaviour for Learning Policy

1. Introduction

- 5.2 Examples of the rewards and sanctions the school ordinarily uses are set out in the paragraphs below. These are not, however, exhaustive lists, and other rewards and sanctions may be used insofar as they comply with good education practice, and promote good behaviour and compliance with the school's policies on behaviour.
- 5.3 Where particular types of good behaviour or misbehaviour are expressly referred to in this policy, these are not to be taken as an exhaustive list of all types of good behaviour or misbehaviour for which rewards can be given, and sanctions imposed.
- 5.4 Where a particular reward or sanction is identified as the usual response to a specific type of good behaviour or misbehaviour, this will not prevent a different reward being given, or a different sanction imposed, where it is appropriate to do so.

2. Rewards

2.1 The Rhyddings Way - Points

Staff can reward points for the 'Rhyddings Way' in and out of class. Points can be rewarded individually or collectively.

Points are to be awarded for:

- positive behaviour as part of end and send of a lesson
- positive behaviour and attitude to learning throughout the lesson for above and beyond.
- out of class events or extra-curricular events
- contribution to pupil voice and leadership events
- demonstrating the 'Rhyddings Way'

Each fortnight the top 2 pupils per year group will be awarded prizes and will be selected for the end of term rewards. The names of the remaining pupils in the top 50 of the year group will be added to a random selector and three extra rewards will be given to the selected pupils.

The final week of each term, total points will be shared, and rewards will be given for the highest point winners.

Specific rewards will be:

- End of term reward celebrations for each year group, passport to the prom for Year 11, subject leaders, form tutor, pastoral leader's certificates and SLT Golden Tickets for the end of term celebration.

All pupils have an opportunity to qualify for the end of term celebration by adhering to the criteria below:

- Attendance figure that meets our school average (this may vary depending on the school data)

- No more than 1 C3
- No reflection/IE/suspensions

2.2 Verbal Praise - Daily

Staff are encouraged to use verbal praise at all times to encourage and motivate pupils. It is important to acknowledge pupils' efforts and model the use of positive language.

2.3 Team of the Week – Daily / Weekly Praise

Recognition of the most above and beyond points per year group. Each week a positive communication is sent to parents in recognition of their child's contribution. All names are displayed as part of the weekly form tutor bulletin. When pupils receive 3 or more above and beyond points in one day a positive communication will be sent to parents.

2.4 Attendance Rewards

- 100% attendance will be shared fortnightly for pupils in assembly
- Pupils with 100% at the end of the year will be rewarded for their efforts
- Pupils with 97% and above attendance at the end of the year will receive further praise for their efforts.
- Pupils with the most improved attendance each term, in each year, receive a certificate.

2.5 Headteacher's WOW board

A celebration and recognition of excellent pupil work. The work is displayed outside the Headteacher's office. Pupils receive additional points and recognition for this.

3. Sanctions / Consequences

In line with the 2006 Education and Inspections Act, the decision to apply nationally agreed sanctions, including detentions, lies with the school. Parents cannot override a judgement made by the school. Concerns related to the fair application of sanctions should, however be directed to the relevant Pastoral Leader who will make the appropriate enquires and, where necessary, liaise with the Senior Leadership Team.

3.1 In and Out of Classroom Sanctions / Consequences

There are four main stages from a C1 to C4. The use of positive language is important for all pupils. Pupils will be reminded despite some barriers that they do have control of their behaviours and their choices. Staff are encouraged to remind pupils of the four basic expectations, ready, respectful, responsible and resilient. All pupils will be given time and opportunities to reflect on their behaviours from a C1 to C4. Pupils can change and improve their behaviour at any point.

C1 Reinforce this is a **Chance**

Staff will give a verbal warning. 0 points

C2 Reinforce this is a **Choice**

Staff will take part in a restorative conversation with the pupil. Follow the script provided.
- 2 points

C3 Reinforce this is a Consequence 1

Removal to buddy room with a *reflection sheet for persistent defiant behaviour, with the exception of an automatic C3 criteria.
20-minute detention with the teacher afterschool
- 3 points

C4 Reinforce this is a Consequence 2

Call out and removal from buddy room to isolation
1-hour detention afterschool
- 4 points

An automatic C3 can be given to pupils, for example:

- inappropriate / abusive language,
- gender / sexualised language,
- chewing

*The class teacher will provide a reflection sheet for the pupil to take to the buddy room. The pupil must return to the class teacher at end of the lesson with the reflection sheet for the restorative conversation to take place. The Department for Education sets out a range of sanctions available to schools. All of which are used at Rhyddings:

- Verbal reprimand.
- Extra work or repeating unsatisfactory work until it meets the required standard.
- The setting of written task as punishments, such as lines or an essay.
- Loss of privileges - for instance the loss of a prized responsibility or not being able to take part in non-uniform days, or missing break time.
- Detentions including lunch-time and after school.
- School based community service activities or imposition of a task - such as picking litter up, weeding school grounds, tidying a classroom, helping clear up the dining room or removing graffiti.
- Regular reporting including daily report cards for - uniform, behaviour, attendance.
- Placement in isolation / reflection or internal exclusion.
- In extreme cases, temporary (fixed term) suspensions or permanent exclusions.

Alternative arrangements for sanctions can be considered on a case-by-case basis for any pupil where the school believes an alternative arrangement would be more effective for that particular pupil, based on their knowledge of that pupil's personal circumstances.

The school will have regard to the impact on consistency and perceived fairness overall when considering alternative arrangements.

In considering whether a sanction is reasonable in all circumstances, the school will consider whether it is proportionate in the circumstances of the case.

It will also consider any special circumstances relevant to its imposition including:

- the pupil's age;
- any special educational needs or disability they may have; and
- any religious requirements affecting them

The Department for Education make it clear that:

- Parental consent is **not** required for detentions.
- As with any disciplinary penalty, a member of staff must act reasonably given all the circumstances, when imposing a detention.
- For any break / lunch time detentions sufficient time will be allocated for lunch and the use of toilets.
- It is the responsibility of the parent to make suitable transport arrangements to and from any school detentions. It does not matter if such arrangements are inconvenient for parents. As always, the school work with families as far as possible. It is important detentions are served promptly.
- SLT detention is 1 hour and to be used at the discretion of the senior leadership team for serious incidents, parents will be informed by a phone call by an SLT member.
- Headteacher detention is 1 hour and 30 minutes - to be used at the discretion of the Headteacher for serious incidents, parents will be informed by a phone call.
- **C3** - Failed buddy detention - 20 minutes, In App Message to parents.
- **C4** - Pastoral / curriculum detention - 1 hour, In App Message to parents.
- Failure to attend a 1-hour afterschool detention will result in a 1 hour SLT detention.
- Failure to attend an SLT detention will result in a 1 hour and 30-minute detention with the Headteacher.
- Failure to attend a headteacher detention may result in a suspension from school.

4 Suspension and Permanent Exclusion from School

- 4.1 Only the Headteacher has the power to impose a suspension or permanent exclusion from school. An 'Acting Head' who has been formally appointed to this position while the Headteacher is on extended leave, or the post is vacant, will also have this power.
- 4.1 Suspension and permanent exclusion from school can take the form of:
- Suspension for a fixed term (including lunch time suspensions, which each count as half a day); or
 - permanent exclusion.

Permanent exclusion from school will only be imposed for:

- a serious breach or breaches and / or persistent breaches of this policy; or
- where allowing the pupil to remain in school would seriously harm the education and / or welfare of the pupil and / or others (such as staff or pupils) in the school;
- where alternative provision has been ended due to the behaviour and conduct of a pupil in that setting

The principles, guidance and procedure set out in the Exclusion Guidance will be followed at all times. This includes the statutory procedure for notifying parents, challenging the decision, and holding meetings / hearings, including the deadlines for these.

The Headteacher may cancel (i.e., withdraw) any suspension or permanent exclusion which has not yet been formally reviewed by the Governors' Discipline Committee at a meeting, including where additional information has been received from the parents, Virtual School Head, Social Worker or other health or educational professional after the original decision was made.

Appendix 4 Investigations of Incidents and Alternative Action

1. Investigation

The Headteacher may investigate incidents which potentially give rise to a breach of the school's policies on behaviour and discipline, or they may appoint a member of staff (usually a member of the Senior Leadership Team) to carry out the investigation.

The investigation and any interviews or meetings which take place with pupils will be conducted fairly, in a way which is appropriate in a school environment, and without being formal or legalistic in nature.

The pupils involved will be interviewed as part of the investigation and given the opportunity to state their version of events. Where pupils are at risk of disciplinary action, they will usually be accompanied by a member of staff not involved in the incident or the investigation while they are interviewed.

Pupils who are clearly only witnesses and not at risk of disciplinary action may be interviewed without an additional member of staff being present.

Parents do not need to be notified in advance that interviews are taking place, and their consent is not required (although they may be invited to attend an interview in the case of potentially serious breaches, where the school deems it appropriate to do so).

The pupil will be asked to make a statement, and / or a written record of the interview will be made by the interviewing member of staff. Pupils will be asked to sign and date their statement or the written record of interview, confirming it to be true and accurate.

CCTV footage may be viewed and pupils' desks, lockers and / or personal belongings may be searched during the course of an investigation. See Appendix 6 of this policy for the school's guidance on searching and confiscation.

It may sometimes be necessary to delay or suspend an investigation where external agencies such as the Police or social services are involved and have recommended this. A decision to delay or suspend an investigation will take into account advice from appropriate external agencies, and will be subject to periodic review. In relation to alleged sexual violence or sexual harassment, the school will have regard to KCSiE and the School's designated safeguarding lead (or a deputy) will take a leading role on decisions.

Where the Headteacher has appointed a senior member of staff to investigate an incident which may result in formal exclusion from the school, the investigating member of staff will fully report the outcome of their investigation to the Headteacher to enable an informed decision to be made.

6. Removal from the Classroom / Suspension Pending Further Investigation / Enquiries

Where the incident is serious and / or complex and it has not been possible to complete the full investigation and / or conduct all enquiries on the day that the incident occurred or was brought to the attention of the school, the pupil may be removed from the classroom while the investigation continues and / or enquiries are made (for example, consideration of a managed move). During this time the pupil is entitled to receive the equivalent of full-time education provision. The period of removal from the classroom should be taken into account by the Headteacher when determining the final sanction.

Alternatively, where it is not appropriate for the pupil to remain on the school's premises while the investigation continues / enquiries are made, the pupil may be formally

suspended from the school for a fixed number of days pending further investigation / enquiries. The length of the suspension will be kept to the minimum required to complete the further investigation / enquiries.

Before a suspension pending further investigation / enquiries is imposed, the Headteacher must be satisfied that a *prima facie* case has already been established in relation to the pupil's involvement in the incident to an extent that merits a suspension of at least that length.

A suspension pending further investigation / enquiries is still a serious disciplinary measure and the statutory procedure set out in the Exclusion Guidance will be followed (including sending a notification letter to the Parents containing all mandatory information).

Once the investigation / enquiries are complete, the Headteacher will be in a position to make a final decision. This may include imposing a further suspension or permanent exclusion to run consecutively (i.e., back-to-back, without a break in between) with the original suspension pending further investigation / enquiries. A second suspension notification letter containing all mandatory information will be sent to the Parents confirming the further suspension or permanent exclusion.

7. Decision

Once the investigation has concluded, all of the information gathered will be considered and a decision will be made as to what facts have been established to be true, to the civil standard of proof (i.e., on a balance of probabilities, or more likely than not).

Pupils' behaviour and discipline records will be taken into account, together with the pupils' background, and any special educational needs and / or disabilities they may have. The school will follow its special educational needs and learning difficulties policy and equality policy, where relevant.

All disciplinary sanctions imposed will be a fair, reasonable and proportionate response to the misbehaviour involved, taking into account the pupil's own account, aggravating features, mitigation, background, and special educational needs and / or disabilities.

Disciplinary sanctions will be recorded in the pupil's behaviour and discipline record.

The school will usually notify the Parents of disciplinary sanctions imposed and the reasons for them (parents must always be notified of removals from the classroom, suspension and permanent exclusions).

8. Off-Site Directions

The school has the power to direct that a pupil be educated off-site with the aim of improving their future behaviour. It must **not** be used as a disciplinary sanction or punishment for misconduct.

The off-site direction may be to a Pupil Referral Unit (**PRU**), and Alternative Provision School, or another school / school (or unit therein).

Parental consent is **not** required for an off-site direction, and pupils are expected to attend the other setting as directed. If they do not attend, their absence will be unauthorised and dealt with in the same way as it would if they failed to attend the school.

The arrangements for the off-site placement will be based on an understanding of the support the pupil needs in order to improve their behaviour, as well as any SEND or health

needs the pupil has. It may be full-time, or part-time in combination with attendance at the school or another setting. The expectation is that the pupil will continue to receive full-time broad and balanced education.

A 'personalised plan for intervention' will be put in place, which sets out the objectives for the pupil's improvement and attainment, the timeframe involved, the arrangements for assessment and monitoring progress, and with a baseline of the pupil's current position against which to measure their progress.

The off-site placement will be regularly reviewed, and Parents will be involved in the review. The purpose of the review is to ensure that the off-site placement is achieving its objectives and that the pupil is benefitting from it.

During the period of an off-site direction by the school to another school / academy, the pupil must be dual registered which means that they will be registered at both the school and the school / academy to which the pupil is directed off-site.

The school will follow the Alternative Provision Guidance when exercising this power.

9. Managed Moves

A 'managed move' is used to initiate a process which leads to the permanent transfer of a pupil to another mainstream school / academy following a trial period. It is designed to give pupils who are **at risk of** permanent exclusion a fresh start in another school / academy without a permanent exclusion on their educational record.

As it is a proposed permanent transfer to another setting, parental consent is required, and Parents will be consulted while this is being explored.

If a temporary move to another setting is needed with the aim of improving the pupil's behaviour, rather than as a trial period before a proposed permanent transfer to that setting, then off-site direction (as described above) must be used. An off-site direction can be made without parental consent.

A planned managed move will only happen when it is in the pupil's best interests.

During the trial period, the pupil will be dual registered at both the school and the new school / academy. If the managed move breaks down during the trial period, the new school / academy will terminate the trial period and delete the pupil's name from the register. The pupil will then return to the school.

For this reason, a managed move will not be appropriate following a serious breach and / or persistent breaches of the Behaviour Policy for which permanent exclusion is deemed by the Headteacher to be the only appropriate sanction, where the school would not be prepared to accept the pupil back at the school if the managed move broke down during a trial period.

The school will agree a fixed period for the trial at the outset, after which the new school / school will be expected to give permission to the school for the pupil's name to be deleted from the school's roll, at which time the transfer becomes permanent.

Appendix 5 Use of Reasonable Force and Physical Restraint Guidance

Any use of reasonable force will be in accordance with the DfE guidance Use of Reasonable Force (DfE, July 2013).

Reasonable force may be used to prevent a pupil from doing or continuing to do any of the following:

- committing a criminal offence;
- injuring themselves or others;
- causing damage to property, including their own; or
- engaging in any behaviour prejudicial to good order and discipline at the school or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

In these circumstances, force will be used for two main purposes: to control pupils or to restrain them. Reasonable force may be used, for example, to restrain a pupil at risk of harming themselves or another individual or to prevent a pupil leaving a classroom where allowing them to do so would risk their safety or lead to behaviour that disrupts the behaviour of others. Force is never used as a form of punishment.

In addition, reasonable force may be used to conduct a search for certain "prohibited items" (see Appendix 5).

In these circumstances, "reasonable" means using no more force than is needed.

In deciding whether reasonable force is required, the needs of individual pupils will be considered and reasonable adjustments will be made for pupils with special educational needs or disabilities. The school will establish proactive and positive behaviour support strategies for pupils with particular needs, in consultation with their Parents, to reduce the occurrence of challenging behaviour and the need to use reasonable force.

Where reasonable force is used by a member of staff, the Headteacher must be informed of the incident and it will be recorded in writing. The Parents will be informed about serious incidents involving the use of force.

Appendix 6 Searching, Screening and Confiscation

All academies have a general power to impose reasonable and proportionate disciplinary measures (Education and Inspections Act 2006). This enables a member of staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.

The school's policy on searching and confiscation has regard to the DfE guidance Searching, Screening and Confiscation: advice for schools (DfE, July 2022).

Prohibited Items

The following are 'prohibited items' by law under Section 550ZA (3) of the Education Act 1996 and Regulation 3 of the schools (Specification and Disposal of Articles) Regulations (SI 2012 / 951):

- Knives or offensive weapons, alcohol, controlled / illegal drugs and stolen items;
- Tobacco and cigarette papers, fireworks and pornographic images;
- Any article that a member of staff reasonably suspects has been, or is likely to be used:
 - (a) to commit an offence; or
 - (b) to cause personal injury to, or damage to the property of, any person (including the pupil); and

In addition to the above, the school has prohibited or restricted the use of the following items on the grounds that they are reasonably believed to be likely to cause harm or disruption:

- mobile phones;
- laptops;
- tablets;
- hand-held electronic games;
- other electronic devices; and
- vaping devices / e-cigarettes;
- aerosols;
- canned/fizzy energy drinks;

Pupils must not have these items in their possession, or use them in a way which is restricted, on the school's premises, or at any time when they are in the lawful charge and control of school staff (e.g., on educational visits).

Pupils may be searched for any item which is prohibited, or its use restricted, by the school (as set out above) with their agreement (note that the school will never use force to search for these items: see paragraph 0 below).

1 Searching Pupils

- 1.1 Under common law, school staff have the power to search for any item if a pupil agrees. The member of staff undertaking the search should ensure the pupil understands the reason for the search and how it will be conducted so their agreement is informed.
- 1.2 When exercising these powers, the school must consider the age and needs to pupils being searched or screened. This includes the individual needs or learning difficulties of pupils with Special Educational Needs (SEN) and making reasonable adjustments that may be required where a pupil has a disability.

- 1.3 If a pupil refuses to co-operate with a search for an item prohibited by law, the member of staff should assess whether it is appropriate to use such force as is reasonable to conduct the search. Force will never be used to search for items that the school has prohibited.
- 1.4 The decision to use reasonable force should be made on a case-by-case basis. Consideration will be given as to whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.
- 1.5 Where a pupil is not willing to co-operate with a search and is not deemed to have sufficient maturity or understanding of the situation, then a parent's co-operation will be sought.
- 1.6 If a pupil refuses to co-operate with a search for items that are not items prohibited by law as listed above, disciplinary action may be taken in accordance with this policy.
- 1.7 Where a search is considered necessary, but does not need to be carried out urgently, the advice of the Headteacher / DSL and / or pastoral member staff will be sought. During this time the pupil should be supervised and kept away from other pupils.
- 1.8 Searches will be carried out on the school premises or, if elsewhere, where the member of staff has lawful control or charge of the pupil, for example on an educational visit or in training settings.
- 1.9 If it is believed that a pupil has a prohibited item, it may be appropriate for a member of staff to carry out:
 - 1.9.1 search of outer clothing; and / or
 - 1.9.2 search of the school property (e.g., pupils' lockers or desks); and / or
 - 1.9.3 search of personal property (e.g., bag or pencil case).
- 1.10 Staff will be the same sex as the pupil being searched and there will be a witness (also a staff member) who, if possible, will be the same sex as the pupil being searched. As a limited exception to this rule, staff can carry out a search of a pupil of the opposite sex and / or without a witness present, but only where staff reasonably believe that there is a risk that serious harm will be caused to a person if a search is not carried out as a matter of urgency and in the time available it is not reasonably practicable to summon another member of staff.
- 1.11 A pupil's possessions can only be searched in the presence of the pupil and another member of staff except where there is a risk that serious harm will be caused to a person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.
- 1.12 Where the Headteacher, or staff authorised by the Headteacher, find anything which they have reasonable grounds for suspecting is a prohibited item, they may seize, retain and dispose of that item in accordance with this policy. The staff member should also alert the designated safeguarding lead (DSL) or deputy and the pupil will be sanctioned in line with the school's Behaviour Policy to ensure consistency of approach.

2 Strip Searching

A strip search is a search involving the removal of more than outer clothing and can only be carried out on school premises by Police officers under the Police and Criminal Evidence

Act 1984 (PACE) Code A and in accordance with PACE Code C. More information is contained within the DfE advice to schools on Searching, Screening and Confiscation (July 2022).

While the decision to undertake a strip search itself and its conduct are Police matters, school staff retain a duty of care to the pupil(s) involved and should advocate for pupil wellbeing at all times.

School staff will always consider whether introducing the potential for a strip search through Police involvement is absolutely necessary and should always ensure that other appropriate, less invasive approaches have been exhausted.

In order to ensure a pupil's wellbeing, the school may wish to involve an appropriate adult as a matter of course during all searches conducted by Police in school.

Except where there is an immediate risk of harm, parents will be informed before a strip search takes place, where reasonably possible. Parents will always be notified after a strip search has taken place.

3 After a Search

Whether or not any items have been found as a result of any search the school will consider whether the reasons for the search or outcome give cause to suspect whether a pupil is suffering or likely to suffer harm and whether any specific support is needed.

Where appropriate school staff will follow the school's child protection policy and procedures and speak to the designated safeguarding lead about possible pastoral support, early help intervention or a referral to children's social care.

4 Recording Searches

Any search by a member of staff for an item prohibited by law as listed above or items banned by the school rules in the section above and all searches conducted by Police officers will be recorded in the school's safeguarding reporting system, including whether or not an item is found. This will allow the DSL or deputy to identify possible risks and initiate a safeguarding response if required.

Records of the search will include:

- | | |
|-----|--|
| 4.1 | the date, time and location of the search; |
| 4.2 | which pupil was searched; |
| 4.3 | who conducted the search and any other adults or pupils present; |
| 4.4 | what was being searched for; |
| 4.5 | the reason for searching; |
| 4.6 | what items, if any, were found; and |
| 4.7 | what follow-up action was taken as a consequence of the search. |

The school will analyse any data gathered to consider whether searching falls disproportionately on any group / or groups and whether any actions should be taken to prevent this.

5 Confiscation

Under the School's general power to discipline, a member of staff may confiscate, retain or

dispose of a pupil's property as a disciplinary penalty where it is reasonable to do so.

Confiscation of an item may take place following a lawful search, as set out above, or however the item is found if the member of staff considers it to be harmful or detrimental to school discipline.

10. Searching Electronic Devices

An electronic device such as a mobile phone or a tablet computer may be confiscated in appropriate circumstances in accordance with this policy. If there is good reason to suspect that the device has been, or could be used to cause harm, to disrupt teaching or breach the school's policies on behaviour, any data or files on the device may be searched and, where appropriate, data or files may be erased before the device is returned to its owner. Any search of an electronic device should be conducted in the presence of a member of the IT staff.

Any data or files will only be erased, if there is good reason to suspect that the data or files have been, or could be used to cause harm, to disrupt teaching or breach the school's policies on behaviour.

Subject to 7.7 below and the requirements set out in KCSIE 2023 if inappropriate material is found on an electronic device, the member of staff may delete the material, retain it as evidence of a breach of school discipline or criminal offence or hand it over to the Police if the material is suspected to be evidence relevant to an offence.

Staff should consider the appropriate safeguarding response if they find images, data or files on an electronic device that they reasonably suspect will put a person at risk.

Staff should not view or forward illegal images of a child. When viewing an image is unavoidable staff should follow the school's guidance as set out in the Safeguarding and Child Protection Policy, consult the advice set out in the Searching screening and confiscation advice (for schools) and UKCIS sexting advice.

The school will comply with data protection law in relation to any search of an electronic device.

11. Disposal of Confiscated Items

11.1 **Alcohol:** Alcohol which has been confiscated will be destroyed.

11.2 **Controlled drugs:** Controlled drugs will usually be delivered to the Police as soon as possible. In exceptional circumstances and at the discretion of the Headteacher or authorised member of staff, the drugs may be destroyed without the involvement of the Police if there is good reason to do so. All relevant circumstances will be taken into account and staff will use professional judgement to determine whether the items can be safely disposed of. They will not be returned to the pupil.

11.3 **Other substances:** Substances which are not believed to be controlled drugs but which are harmful or detrimental to good order and discipline (for example "legal highs") may be confiscated and destroyed. Where it is not clear whether or not the substance seized is a controlled drug, it will be treated as such and disposed of as above.

11.4 **Stolen items:** Stolen items will usually be delivered to the Police as soon as possible. However, if, in the opinion of the Headteacher or authorised member of staff, there is good reason to do so, stolen items may be returned to the owner without the

involvement of the Police. In taking into account the relevant circumstances, the member of staff should consider: the value of the item; whether the item is banned by the school; whether retraining or returning the item may place any person at risk of harm; and whether the item can be disposed of safely.

- 11.5 **Tobacco / Cigarette Papers / Vapes / E-cigarettes:** Tobacco / cigarette papers / vapes and e-cigarettes will not be returned to the pupil, they will be destroyed.
- 11.6 **Fireworks:** Fireworks will not be returned to the pupil. They will be disposed of safely at the discretion of the Headteacher or other authorised member of staff.
- 11.7 **Pornographic Images:** Pornographic images involving children (child sexual exploitation) or images that constitute "extreme pornography" under section 63 of the Criminal Justice and Immigration Act 2008 will be handed to the Police as soon as practicable. As possession of such images may indicate that the pupil has been abused, the Designated Safeguarding Lead will also be notified and will decide whether to make a referral to children's social care.
- 11.8 Other pornographic images will also be discussed with the Designated Safeguarding Lead. The images may then be passed to children's social care for consideration of any further action. If no action is to be taken by the local authority the images will be erased after a note has been made for disciplinary purposes, confirming the nature of the material.
- 11.9 **Article used to commit an offence or to cause personal injury or damage to property:** Such articles may, at the discretion of the Headteacher or authorised member of staff taking all the circumstances into account, be delivered to the Police, returned to the owner, retained or disposed of. In taking into account all relevant circumstances the member of staff should consider: whether it is safe to dispose of the item; and when it is safe to return the item.
- 11.10 **Weapons or items which are evidence of an offence:** Such items will be passed to the Police as soon as possible.
- 11.11 **An item prohibited or its use restricted by the school:** Such items may, at the discretion of the Headteacher or authorised member of staff taking all the circumstances into account, be returned to its owner, retained or disposed of. In taking into account all relevant circumstances, the member of staff should consider: the value of the item; whether it is appropriate to return the item to the pupil or parent; and whether the item is likely to disrupt learning or the calm, safe and supportive environment of the school.
- 11.12 Where staff confiscate a mobile phone (restricted item), the phone will be kept safely until the end of the school day when it can be claimed by the pupil on the first two occasions, unless the Headteacher considers it necessary to retain the device for evidence in disciplinary proceedings in accordance with 11.13 below. If a pupil persists in using a mobile phone in breach of the restriction, the phone will be confiscated and must be collected by a Parent.
- 11.13 **Electronic Devices:** If it is found that a mobile phone, laptop or tablet computer or any other electronic device has been used to cause harm, disrupt teaching or breach the school's policies on behaviour, including carrying out cyberbullying, the device will be confiscated and may be used as evidence in disciplinary proceedings. Once the proceedings have been concluded the device must be collected by a Parent and the pupil may be prohibited from bringing such a device onto school premises or on

educational visits. In serious cases, the device may be handed to the Police for investigation.

12. Communication with Parents

- 12.1 There is no legal requirement for the school to inform Parents before a search for prohibited items takes place or to seek their consent to search their child and it will not generally be practicable to do so.
- 12.2 Parents should always be informed of any search for a 'prohibited item' listed above that has taken place and the outcome of the search as soon as practicable. A member of staff should inform parents of what, if anything, has been confiscated and the resulting action the school has taken, including any sanctions applied.
- 12.3 In some circumstances it might also be necessary to inform parents of a search for an item banned by the school policy.
- 12.4 We will keep a record of all searches carried out, in accordance with paragraph 7 above, which can be inspected by the Parents of the pupil(s) involved subject to any restrictions under the Data Protection Act 2018.
- 12.5 Complaints about searching or confiscation will be dealt with through the school's published Complaints Policy and procedures.
- 12.6 The school will take reasonable care of any items confiscated from pupils. However, unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the school does not accept responsibility for loss or damage to property.
